

**Greater Cleveland  
Food Bank**

**Thank you for collecting food on behalf of our hungry neighbors!** We are grateful that you will be helping us fight hunger in Northeast Ohio!

**One in six people in Northeast Ohio do not know where their next meal will come from.** Your support could mean one less difficult decision for those in need, such as choosing to pay for utilities, medicine or food.

**Our partner agencies find some items to be more in-demand among their clients than others.** We call these the Super Six: Soup, Peanut Butter, Tuna, Canned Vegetables, Cereal, and Beef stew.

(Please make sure that cans aren't dented to the point of creasing, or showing any damage to the seam or lid. With boxed foods, make sure that the innermost packaging is still intact—we can use cereal with a tear in the box, so long as the inner bag is still whole!)

**We distribute more than food:** the six most requested non-food items are Deodorant, Laundry Detergent, Shampoo, Toilet Paper, Soap, Toothbrushes, and Toothpaste.

**Have any spare boxes?** We need food-grade boxes (i.e., boxes that have not been used to store bleach or other chemicals) to safely consolidate and transport your donation.

**Once again, thank you for your support!**
