THANK YOU all, so much, for all of your help and support as we hustled to get Plunge 2018 season underway. Looking forward to starting the planning process for 2019 as soon as we have our new Special Events Manager in place (final interviews happening now!).

Rob and I cannot express how grateful we are for the wonderful partnership that our organizations have and we look forward to even better things in the future!

If not before, we'll see at least some of you in Tent Town in June. Also, for those of you in the northeastern part of the state (but not limited to!), save the date: Saturday June 30. That's the day that our 90-member Team Ohio delegation is taking off from the Cleveland airport for USA Games in Seattle. We are working on plans for a big sendoff celebration and hope to have as many members of the Ohio Moose Association there as possible. More to come...

Thank you, again. We could not have done this without you and are so grateful!
