Subject: District Meetings

The Executive Committee of the Ohio State Moose Association has issued this statement concerning District Meetings

- 1) There is a State Government Mandate prohibiting meetings of 50 persons or more for meetings, conferences, ect. In effect at this time.
- 2) Most District meetings in the jurisdiction of the Ohio State Moose Association have less than 50 attendees total.
- 3) The O.S.M.A. takes the health and welfare of our members very seriously.
- 4) Should your District decide to not hold a meeting (because of the mandate)...that will be a decision made by the District Executive Committee.
- 5) When the State Government Mandate ends...District meetings must resume as normal.
