A special shout out to an outstanding Moose Legion Sponsor during the Raise the Roof Campaign: Roy Egan Jr. of Miami Valley 103.

Roy attained Sponsor of Distinction status back in December by having at least 25 Moose Legion applications sponsored this year. However, he was just getting warmed up at that point. He now has hit at least FIFTY applications sponsored this campaign year!

He also earned the Moose Legion Elite Ring this year for having at least 100 Moose Legion sponsor units lifetime to his credit. He is now about to hit the 150 level of Moose Legion membership units and will then earn a diamond in his Medal of Honor when a few more of these candidates appear for conferral!

Atta-Boy and thank you for your efforts!

Fraternally,
