

St Clairsville Moose 2504 and Lafferty Moose 1462 donate \$16.5K to Belmont County Job & Family Services

St. Clairsville, OH (WTRF) - Belmont Job and Family services threw a breakfast with Santa at the Moose Lodge in St. Clairsville this morning.

Foster and adopted kids from within the county spoke with Santa and unwrapped some of this year's most popular toys.

How'd they do this?

Well, through a \$16,000 dollar check the St. Clairsville and Lafferty Moose clubs donated after seeing a story 7news reporter D.K. Wright did about National Adoption Month.

"We gave presents to approximately 25 of our foster and adopted families and they presented us with two checks last Monday that totaled \$16,505. We have never seen a donation that large before," said Vince Gianangeli, Director, Belmont Job & Family Services.

Gianangeli says job and family services couldn't possibly use all of that money in one season.

He says they plan on spreading those funds throughout 2019 as they'll be bringing more children into the system.
