On February 11, 2017 the Lexington Moose Lodge 2511 along with representation from all law enforcement officers and 1st responders from Richland County along with the 179th Airlift Wing & the Red Horse, held an EZ ID event at the Richland Mall in Mansfield, Ohio.

During this event, we also were able to pass out 6 cases of Tommy Moose dolls to the 1st responders and many of the children that were at the event. During this event we were able to get 90 Children ID'd in the area.

We want to thank all the 1st responders, the local 179th Airlift Wing and the Red Horse, the co-workers from Chapter 2211 and the members from Lodge 2511.

This is a great way to protect our future in one small way.
