Dear Directors,

Congratulations to **Buckeye Moose Legion No. 192** on achieving the Director's Key Club! Each of the members of the Board of Directors has led by example and had at least two accepted Moose Legion member applications reported this fiscal year. Your seven (7) lapel pin emblems are enclosed and we ask your International Moose Legion Ambassador to assist with a proper presentation at a future Celebration. Wear these Moose Legion 2018-2019 'KEYS' with pride – you have earned them!

Please express our sincere thanks to each member of the Board for leading by example! We also send best wishes for much more success during the ensuing membership year. By being fraternal leaders who work to plan positive functions for our members and perform meaningful orientations and conferrals we will more successfully retain our base and share the pride of membership. This year we are **Moose on a Mission** and we appreciate your example, leadership and support!

Cordially & fraternally,

Robert A. Neff, PIP
