

OSMA Valued Veterans Activity Group honors John Cooper of the Michigan Moose Association

Sometimes in life you have to put differences aside ie.(Michigan and OSU). On that note we had the privilege of honoring our brother John Cooper who passed away. John was the Michigan Moose Association Valued Veteran Chairman. On behalf of the OSMA Valued Veteran Activity Group we presented a plaque to his wife and the MMA board. It was a proud moment for both parties. This is why we do some of the things we do. At the end of the day we as Veterans are all Brothers and Sisters in arms. We take care of our own.
