Governor's Corner

Hey 73, The new year is now upon us and I would like to share a message from Byron Dalton I read a while back;

Before you quit

"Sometime, somewhere and somehow, someone will get you upset because you didn't get waited on fast enough, or they argued with you about something, or you felt you got cheated out of something and you will tell the Moose to stick their membership card in their ear. Remember this - it wasn't the Moose, or the children, or the seniors that got you upset. It was an individual and in most cases, someone that had nothing to do with the reasons why you joined. Before you quit, remember why you joined. Before you quit, remember why you should continue to pay your dues. Before you quit, remember you are not hurting anyone but yourself because now you will no longer be able to enjoy the "benefits and blessings of both Mooseheart and Moosehaven", as well as, the benefits of the lodge activities and fraternal events over the rest of your years. Before you quit, think about why you joined and why you paid dues all these years." Fraternally, Tom Weaver

Administrator

Happy New Year to all!

I hope your holidays have been all you wish them to be. We are continuously making changes and improvements to the lodge, some will be evident to you and some, with the infrastructure, you will not notice. Hopefully the continuing improvements will make your visit to the lodge more enjoyable. I am interested to get some members input on the Dayton 73 Moose app for your smart phone. Likes, dislikes, ideas to improve. Just stop in the office during business hours and let the staff hear your opinion. We have a big push coming up on new members, so sign 2 up before April 30th and receive a year's dues paid by Dayton 73.

Fraternally, Chris Hollan

The WOTM is getting more involved in the community by helping Creek Safe with locks for the doors and helping students with supplies. If you'd like to get involved please come to a meeting. The meetings are the 2nd and 4th Tuesdays of the month and that is our orientation times too, along with the 3rd Sunday of the month.

It's never to earlier to be thinking of becoming an officer. See you at the club and don't forget to sign the books and pay your dues two weeks early to insure your name is not removed from the books.
