## Governor's Corner

I just returned from the 2019 OSMA mid winter conference in Independence, Ohio. The over all attendance for this February meeting was very good. On Saturday morning Dayton 73 was represented by 13 members and officers. This was the largest of any lodge there and it gave me great pride. The gentleman sitting next to me asked "how far away is your lodge"? I told him it was about a 3-1/2 hour drive. His response was "wow". This brings me to my next point. Wouldn't it be great to have more members attend these conferences? I have asked several of you why you don't try to attend and the over whelming response is "I don't have the money". Well, here's your chance. If there's anyone out there who would like to form a committee with the sole purpose of raising money so it's participating members can go to the state or International conventions (Las Vegas this year) let me know. I would be happy to meet and discuss how things work. I might even help you with your first few dinners.

Fraternally, Tom Weaver
