JANUARY 2016

Governor's Corner

Greetings to you all,

HAPPY NEW YEAR! I hope you all had an excellent Christmas holiday surrounded by your friends and family. We have had a great time here at 428 and Heather and I enjoyed seeing you all over the holiday season. Now the holidays are over and it's back to our jobs, our lives and families. Now we're not much on making New Year's resolutions that never seem to last, but I would like to invite you all to join Heather and I in this one. Please continue the fellowship and friendliness toward each other that we were all so willing to share over the holidays. Please take care of yourselves and each other. I wish only the best for you all in 2016!

We have some great upcoming events such as entertainment, cornhole tournaments and some community service opportunities. All of our upcoming events can be found on our Facebook and our website (www.kentonmoose428.com). For those of you that are not as comfortable with those, the newsletter will still be available in the front entrance. Starting last month you may also pick up just a calendar if you wish. Starting shortly, the TV's over the center bar will also be used for Moose Vision. These are bigger and will allow everyone access to our upcoming event information. Of course these will still be used for other events as necessary.

Congratulations go out to our Moose of the Month, Brother Jim O'Brien has been selected this month. Jim quietly volunteers his time to help both the Lodge and the WOTM. Thank you Jim.

Have a great month, Steve and Heather

WOTM 863 Chat

December was a busy month all around for the WOTM. We had several dinners that went off beautifully thanks to the team of ladies that pulled that all together. As always, thank you for all you do to make things happen for the betterment of the chapter.

We tried something new this year with Breakfast with Santa and it was a HUGE success. When he came in the room they were just mesmerized with him. We had all hands on deck that day to help out and it was great to have all the camaraderie for a successful function for the kids. The kids were all just adorable and our own resident Santa with the guidance and assistance of his Elf did a fantastic job. It is amazing what the power of Santa Claus has over a child, it truly is magical.

Once again, I would like to thank Barb and the team of ladies that have done the Monday night meals for so long and the members that have patronized this function over the past few years. We tried to find another co worker that was willing to take this responsibility on, but unfortunately out of almost 800 women, we were unsuccessful in securing a chair-man for this.

If you have any extra time or fresh ideas you would be willing to contribute to the chapter, please be sure and see me!. Have a Happy New Year.

Heather Harford, Sr. Regent
