JUNE 2016

Governor's Corner

Welcome to Summer...I think...I hope!

Yes I know that this month's address is long but there is a lot of information to get out to all of our FANTASTIC Moose members. We don't want anyone to feel left out.

We finally have some of the signs of summer now. We have been waiting a long time for summer to get here and I think it finally snuck in this week. The kids are out of school and the birds are singing and nesting. We can follow the lead of the farmers and get our gardens and flower beds in now. I hope that all of us remember what it was like to be a kid in the summer and enjoy every minute of it from the first light of dawn to the green glow of the lightning bugs in the evening. Let's all have some fun together.

I hope that you made it into the lodge for our Moose 428 Karaoke contest on May 14th. There were several participants and the top 3 will be performing again June 18th when we host the Moose District 3 Karaoke contest. Our thanks go out to Randy Cahill for organizing everything for our Karaoke events.

We had a GREAT day Saturday starting with a tasty WOTM breakfast and our Moose Riders meet to plan their summer activities. Then we held another Cornhole tournament. That went great as well. There was a lot of talent there from our lodge and several other lodges. The winning team was Chad Maberry and Mike Juarez. Then during the Cornhole tournament a hog roast broke out. We had a 200 pound smoked hog and it was delicious. Finally at the end of the day The Howard Trio performed for our enjoyment. There is a lot of *Fun At Your Moose Lodge...The Friendliest Place in Town!*

We hosted the District 3 Lodge meeting on Sunday, May 22nd. The place was pretty full with lodge members and lodge officers from all of District 3, the District 3 Board of Officers, and State Officers. Thank you to all of the men and women from Kenton #428 and Chapter 863 that attended. We had the drawing for \$500 scholarships for student applicants in our district. Congratulations to Adrian Sorgen & Anthony McKee from our Kenton Lodge who were awarded 2 of the 7 available scholarships. Thank you to Peg Herron, Ruth Fry, and Susan Thaxton for volunteering to prepare and serve pizzas and subs to the entire District meeting attendees.

Maybe you are a Moose Legionnaire, or maybe you are part of the Moose golf league, or you may even be part of the Moose Riders. You might be an officer or committee member in our Lodge or Chapter or you could be one of our FANTASTIC members. My point is that we all have our own level of participation in and around our Lodge. We all enjoy the benefits of our Lodge like our friendly atmosphere, great food and drinks, bands and other entertainment and special events. Now our Lodge needs your help for a couple of things. Our Lodge membership goal is 221 new members this year. Our new fiscal year just started May 1st and we already have 20 new members. That means we only need 201 more new members over the next 11 months. That's only 18 per month or 4 per week. And those numbers are divided by all of our members. Why not invite a friend or family member to our Lodge and let them share the Kenton Moose experience. Don't keep it all to yourselves.

Oh and before I forget, Lester Miller has scheduled our semi-annual road cleanup for Saturday, June 11th at 8am. The more people that participate, the quicker and easier it goes. You can help the lodge beautify the community and feel good for doing it. There is the exercise benefit too. It's just taking a walk in the grass and picking up a little trash along the way. We need cleanup people and 2 or 3 drivers for delivery and pickup of participants and full bags of trash.

Finally, instead of telling you about all of the activities that are coming up in the next month, I am going to remind you where to get the latest, greatest information. Our website is www.KentonMoose428.com. We have a calendar page. Just click on a link. Like us on www.facebook.com/KentonMoose428 and receive updates sent directly to you. We have MooseVision in the lodge social quarters and it is constantly changing and updated. We have our Marque LED sign out front that is updated regularly. We print a newsletter each month with a calendar included. It is available on the glass case in our entrance foyer. It is the same information that is on our website. We are sorry but we no longer mail out newsletters as it is no longer cost effective. We also now have the ability to email a newsletter if you sign up for it. Just send an email to webmaster@KentonMoose428.com requesting to be put on the email list and we will get your subscription started. So there is no reason for anyone to say that they didn't know what was going on at our *Kenton Moose Family Center...The Friendliest Place in Town!*

Have a GREAT and Safe month.

Greetings Co-Workers

Hard to believe June is here already. A time for summer fun, flowers, and vacations, but before you do any of these activities, stop in at the Moose "The friendliest place in town".

We would like to welcome new co-worker Brenda Whitaker. Thanks Tony Haudenshield for sponsoring her. We would like our co-workers to sponsor a least one member. Just think how our membership would expand.

Thanks go out to our volunteers: Elsie Harshfield, Sally Cozad, Jane Elsasser, Teresa Ring, Evelyn VanBuskirk and Marcia Retterer. Marcia is our volunteer of the month. Thanks for all your help on the membership retention, funeral dinner and breakfast. Our volunteers are what makes the WOTM great.

Our next breakfast will be on June 18th, come out for good food, fun, and fellowship.

We are in the planning stages for some fun activities.

Please join us on the first and third Thursday of the month at 6:30 for our meetings. The first meeting is chairman night. Stop in and see what fun activities they have planned for us. Marcia is chairman for June and I know she has a fun game and good refreshments planned. Hope to see you all there.

Have a safe and happy June. If you stop in at the Moose and see someone sitting alone ask them to join you. You might make a new friend.

Fraternally,
Linda Patrick
Senior Regent
