NEWARK MOOSE #499 ACTIVITIES

New Weekend Hours: Open at 11am on Saturday and Sunday, Closing at 10pm on Sunday

Admin Notes:

Have you signed up a member into the Moose? Our membership across the state and fraternity has been declining over the past several years and we are approaching a critical point where our number of members cannot support all our programs. I don't ever want to see the day where we have to turn away a child from entering Mooseheart or a senior at Moosehaven because we don't have the funds or support of the fraternity, and I'm sure you don't either. Please do your part and sign up at least one member, talk Moose to your friends and family, let them know we donated over \$40,000 last year right here in central Ohio, also let them know about all the specials we offer at the Lodge and they will more than get their money's worth when visiting our lodge. Thank You for all you do.

Feed the Needy Program

The Officers, dedicated members and volunteers donate numerous hours all year long to raise funds to support this great cause. Our goal is to accommodate as many families as possible. To accomplish this we require any family requesting assistance to fill out an application. Applications must be obtained by a paid up lodge/chapter member from any officer or employee of Newark Moose Lodge #499. A member can only sponsor one family. Deadline to turn in applications is December 3rd at 9pm.

HAVE AN IDEA?

There is now a suggestion box in the lodge by the bulletin boards.

Feed the Needy Delivery December 23rd. Boxing of food starts at 10am. Delivering of food starts at 11am. Volunteers are needed. The winner of this year's Chili Cook-Off will prepare their winning recipe for all to enjoy after the deliveries are completed.

Do you have high cholesterol or high blood pressure? Have members of your family suffered from these ailments? Do you have a poor diet? If you answer "yes" to any of these questions, you may want to consider being screened through the services of Life Line Screening. Life Line Screening uses ultrasound technology to view the plaque build up in your carotid arteries, the main arteries that carry blood to the brain. Blockages in these arteries are a leading cause of stroke. We are pleased to host this Life Line Screening event on 1/5/2019 at Newark Moose Lodge. Register for a Wellness Package which includes 4 vascular tests and osteoporosis screening from \$149 (\$139 with our member discount). All five screenings take 60-90 minutes to complete. In order to register for this event and to receive a \$10 discount off any package priced above \$129, please call 1-888-653-6441 or visit www.lifelinescreening.com/communitycircle or text the word circle to 797979
