### Honor Our Community Heroes Through Moose Membership

Each community has its share of local heroes, whether it's a member of the military or a local firefighter or police officer. They are often asked to handle high-risk situations, putting their personal safety in jeopardy. Beyond that, on a daily basis, they are viewed as role models that have the ability to make positive changes for their community and beyond.

#### How can the Moose honor these local heroes?

- Through the gift of membership! It's a natural fit for those who look to make the best of difficult situations, just as Moose members try to improve the lives of those they touch as well.
- From January 1st through April 30th, 2017 Moose International will waive all first-year fees and dues for active military personnel and first responders and encourage our lodges and chapters to do the same. If you know someone who is serving our country or provides first responder services for your community, now is a great time to reach out and offer them a membership in the Moose.
- It is our hope that these individuals will learn about the great things we do for children, seniors and our communities, and want to stay involved, step up and even lead on behalf of these noble causes.

Find more information about this program at [www.mooselnd.org](http://www.mooselnd.org).

Officers, Chapters and Moose Lodges are encouraged to waive their portion of dues from January 1st through April 30th for the first year for new and returning members of these service groups. This includes active duty members of the Army, Navy, Air Force, Marine, and Coast Guard, the five Active Response groups with headquarters located in San Francisco and in Peabody, Massachusetts, or Emergency Medical Technicians, regardless of whether they are located in the U.S., Canada, the United Kingdom or Ireland.

A BIG Thank You goes out to Peg Seagraves for her efforts in signing up "FIRST RESPONDERS". She has signed up over "30" as new members!!!
