2017

Special Membership Meeting... was held on July 27th for members to be informed about the financial difficulties of the Lodge. Repairs to the roof, air conditioning, heating and parking lot were the major ones. A vote was held to see if we should sell one or more of our parcels, and members agreed to sell by a secret vote. We had an interested party that offered to buy everything, with the Lodge getting a lease of the Social Quarters. A secret vote was taken and the majority said it was in our best interest to accept the offer. We are in negotiation with Pantry Plus for the purchase of the facility. Again, we are not closing. We will be leasing the Social Quarters.

Dues Increase... of \$5.00 will take place starting in September. Moose International had a mix up in our paperwork to increase it in June and told us we could start it on September 1st.

Breakfast Club Money... will have a drawing on Monday Sept. 11th at 7pm. Those eligible will be the people who signed up on the sheets for the last 5 weeks. There will be one winner for each week it was not hit. The prizes will be equal amounts for each winning number drawn.

Fish Fry... will be held on Sept. 22nd from 4-8pm. This will be a Lake Erie Perch Dinner for \$12.00 and open to the public.

Hand Gun Pull Tab Cards... will be taking place in the Social Quarters with a total of 3 handguns & \$50.00 with each gun being given away. There is also other money you can win as you open your pull tab tickets, like the ones in the machines.

Mini Kitchen... is being planned and will be opening by the end of September, where we will be selling food. The old Bartenders Room is where it is being installed.

Senior Regent – Sandy Mesnard:

Dear Co-workers,

With the changes of season, so has change occurred here at the Moose Lodge. These changes have also affected the Chapter. I appreciate the communication between the Lodge Board of Officers and George Kimmet, Administrator, for keeping me updated on the changes.

Changes are never easy and not everyone likes the decisions that are made. However, change is part of life, reality and at times, a necessity. The changes the Lodge Board of Officers had to make will keep the Lodge open and in the end, this is what every member wants! I just ask each Chapter member to support the changes and make positive comments, even if you don't agree with the changes. Negativity only hurts the Lodge and membership growth for both the lodge and chapter.

As for changes with the Chapter, they are minimal. We will get to keep our office, but our meeting place has changed. The "glass room" for the children's play area will be converted to a meeting room and the men have offered this room to us for our meetings. It will take some adjusting, but it can and will be done. Maybe someday, we will outgrow the room, but at this time it is just fine and greatly appreciated.

The Chapter has been volunteering and donating food for meals on Mondays, Thursdays and some Fridays since the kitchen was closed. All proceeds went to the Lodge for bills. I would like to thank the following for volunteering time and/or food for these meals: Sue Heck, Bill and Karen Simmonds, Andy Andersons, Shirley Scheerer, Nancy Thome, June Lee, Mary Kimmet, Pat Dotson, Linda Kimmet, Jane Houdeshell, Jean Thompson, Marie Shuey, Mark Mesnard, Denise Szablewski and Barb Dandurand. If I have forgotten someone, I apologize, as everyone is important and greatly appreciated. One final thank you to everyone who has purchased a meal.

Believe it or not, Christmas in October is quickly approaching and again this year we will be taking up a "stocking offering" in October. Members will be passing out stockings and we ask that each member put a donation in it and return it to an officer. Donations are used to purchase a special gift for a Mooseheart student, along with Photo Christmas cards and a Christmas Party; to purchase a special gift for a Moosehaven resident, as well as the New Year's Eve Party and Thanksgiving dinner. It doesn't matter how much or little you give, I just ask that you give from the heart, because every amount helps to make a child or resident a nicer Christmas.

The Chapter has voted not to sell meat boards on Friday nights for a few months, due to lack of attendance and the difficulty in getting all tickets sold. We will continue to sell 50-50 tickets. We are in need of ideas for other ways to raise money, so if anyone has an idea, please talk with an officer, or better yet, please attend one of our meetings. They are always held the 2nd and 4th Tuesday of each month at 7pm. We would love to seem more in attendance.

I hope to see you around the Lodge this fall.
