Currently, the Lodge's finances are stable, but weak. All accounts are up-to-date with debits being paid as they are received. It has been and will be a struggle, but we are making some progress and believe the future of the Lodge is promising. Much support will insure how the Lodge continues.

Brother Larry Hall recently donated a "Genuine 1-Arm Bandit" to be raffled; tickets are a \$5 donation. The drawing will be held December 16. Brother Bob Jarrell donated a nice Ohio State jacket that will also be raffled. Brother Bob and Bob Bane donated pizza ovens. Dean Scholler has organized several members to donate food for Sunday Football games; also, we had a free pizza evening Friday, October 13. The pizzas were donated by Bob and Gene Jarrell. Gene provided food for a Friday evening a few weeks ago and Bob Slone and Carl Anders had a pork chop dinner recently on a Friday evening. More free pizza evenings will be starting later.

As many of you are aware, Village Pizza closed their business in the kitchen which has had a major impact on our income. We are now having pre-prepared foods during the evening hours for a suggested donation. This will be limited to sandwiches and pizzas. The kitchen equipment has been reestablished and available for limited use for non-sale purposes of food prepared for special occasions.

At the October 10 lodge meeting, it was approved to start renting the Auxiliary Back Room to non-members. The cost will be \$300 which includes the \$155 required liability insurance if alcohol is served. If the renter cleans and restores the room as before, \$55 will be refunded. Scheduling and more information is available by calling the lodge or Bob Bane. Your attendance at the Lodge meetings would be greatly appreciated. Many decisions are completed then which your input would be very vital. Some people must think decisions are made at the bar!!

Euchre is being played the 3rd Tuesday of each month starting at 6:30. This is open to non-members. It would be nice to more participation. Several are playing cards in the backroom on Friday evenings. Cornhole is starting again on Wednesdays. If or when future newsletters will be issued is very uncertain; however, much information can and will be sent via email. Please use the lodge address: lodge1244@mooseunits.org to send your email address or drop it off at the bar. This will be used instead of postal mail for any future newsletters; those without email will receive via USPS if a letter is produced. Please review and appreciate the November calendar. Efforts are being made for you to be aware of the happenings of your Lodge.

The Social Quarters winter hours: open at 3:00 PM Monday thru Saturday; closing is 10:00 PM Monday thru Thursday; Friday and Saturday 1:00 PM. Please note, if there are no customers at 12:00 M, closing will be at that time. Sunday hours are 1:00 PM to 9:00 PM

Activities currently scheduled for December: Saturday, 9th – Christmas Dinner, carry-in, bring side dishes, D-J Randy Vance; Saturday, 16th – Drawing for the "Bandit", will have Blue Steel band. Sunday, 31st, band 30-Ot-6. A nice membership recognition meeting with statistics is being planned for one of the meetings in January. This will be great time for members to once again enjoy fellowship with the Brethren, new and long-standing.
