Loyal Order of the Moose

November is a time for members, family and friends to celebrate the fast approaching Holiday Season. There are a lot of fun activities this month that each and everyone of our members can participate in.

Member Retention Week is from November 6th through November 12th. Fun games, food and music will be happening every night of that week. There is something for everyone. Check the November calendar for your favorite fun night.

We will be CLOSED until 5 PM on Thanksgiving Day. We hope all of our Members have a wonderful day and then come in and visit the Social Quarters to finish the day with cheer.

Every Friday night there is music selected by our Entertainment Committee for your enjoyment. Come in and support their efforts and dance all night with us.

The OSU games are always on in our Lodge on Saturdays so lets all watch together and cheer them on to win out the season. GO BUCKS!!!

I hope that each and everyone of our members has a great November and Thanksgiving Season.

Fraternally,
Tony Marre
Administrator

The late games are still a challenge and we need to know what or how you want to party and support our Buckeye team.

I had nothing but praise for our lodge from the Supreme Governor Fritz Griswold and other State dignitary's as they were greeted on their visit. The meet and greet and the recognition gathering for Past State President Lester Arnold went very well and what an Honor it is to have him as a big part of our lodge.

This month the WOTM will have a Craft Show, Chili Cook Off and a kids Halloween party please check the board for more information. Check the Senior Regents letter and she will probably have something about them. Also the Entertainment committee is planning on October 28th the Lodge Halloween gathering with the music by the Blues Hounds, Flyers will be appearing in the lodge.

Suggestions for our lodge can be communicated through the suggestion box.
Fraternally Yours with Pride!

Your Governor, Steven J Fingerlow

Valued Veterans Program (COMING SOON!)

Supporting veterans is something that has always been near and dear to the Moose. So, it was no surprise that our newest Heart of the Community initiative, the “Valued Veterans” program, drew so much interest from Lodges and Chapters when the program was debuted at the 2016 International Moose Convention in St. Louis.

The International Heart of the Community Committee approached this project with passion, enthusiasm, and personal insights as several are veterans themselves. The goal was to deliver more recognition and support to our own members who are veterans and to provide other members with the necessary tools to make the best possible impact on all

who have served.

The focus of the program is on the recognition and support of Moose veterans with an emphasis on their ongoing service to communities through the Moose. The program’s tag phrase captures this well: “Moose Members Serving Then...And NOW!” This simultaneously honors our veterans and also highlights the Fraternity’s commitment to community service.

When this ambitious program, still in its infancy, was unveiled in St. Louis, it was met with a variety of responses. Many voiced strong opinions about elements they wanted to see included in the program. Others expressed disappointment that the program was not already in effect. Several others advised us to “Take the necessary time” and to “Do it right instead of rushing.”

Admittedly, this program may not be all things to all veterans, but we will strive to serve our veterans to the best of our ability. Our members’ sentiments only confirm that they are passionate about this cause, and do want to see the program succeed – and therefore, we are confident that it will. Email suggestions and/or questions can be sent to [Cherie Mondrella](#). Read the latest [Program Status Update](#) for information about when the Valued Veterans program will become available.
