A MESSAGE FROM THE GOVERNOR

First of all, I would like to thank everyone for having the confidence in me to govern our great lodge. We have grown by leaps and bounds the last few years, and I know I have some tough acts to follow. A lodge is only as strong as its members and I would ask each and every one of you to be an active participant in your lodge.

Our lodge is run primarily by volunteers, and it seems we never can get enough members to volunteer their time and talents. Please see any member of the men's or women's boards if you are interested in volunteering. Also, we can only improve if we know in which areas our membership thinks we need improvements.

Please feel free to utilize our suggestion box located near the front door to let us know your concerns and ideas for improvement. The LOOM meeting, which is open to all of our male members is held on the second Thursday of each month at 7:00 pm. This is a great time to hear what is going on in your lodge and to voice your opinions.

Lastly, as the weather warms more and more children are going to be outside at our playground. Parents PLEASE keep an eye on your children. It is not the responsibility of the board of officers to babysit. I hope to see you all around the lodge.

Fraternally
 Steve Roberts

FROM THE ADMINISTATOR

Hello Moose Members:
 Congratulations to our new board members. They will start their term May 1st. Spring is here and we are getting our outside area ready so we can enjoy the warmer weather.

Please help us keep the outside and inside clean. When you are done with your tables please clean them off whether you are inside or outside. Also, please put your cigarette butts in the proper disposal.

Come on out and enjoy yourself. The kitchen is putting out great food and the bar will have some refreshing summer drinks.

Thanks to all of your for supporting our lodge. Our success is because of our members. If you are interested in helping out, contact a board member or our kitchen manager, Marty.

We will continue to have good bands on Fridays throughout the summer. The playground is ready for the little ones. We love having them but please, if they are yours, keep an ey on them.

Thank you all and keep on Moosin'

Jim McCord,
 Administrator, Miamisburg Moose 1645
