

# MOOSE TRACKS

March, 2019

## **FROM THE GOVERNOR-Jack Martin**

What a great month to be a Moose member. Having purchased the new ice machine, Rick Longshore was able to get it installed. Big Thanks. I would like to also thank Ron and Doug(weiser) Martin for addressing the issue in the ladies room by installing a new flange on one of the ladies toilets. Tami Honchell Leach put on the Painting with Canvas Creations and what a success. For all the ladies who participated thank you and for all who could not, you missed a great time. We are always looking for new ideas and volunteers for projects. If you are available or have ideas, please let us know. Remember to turn back the clocks on March 10.

## **FROM THE ADMINISTRATOR-Sam Aker**

It's that time of year again, in April we will have our voting for officers. Ask the bartenders for a nominee slip and fill it out. The slips must be turned in by March 15<sup>th</sup>. Officers needed are posted in the lodge.

I would like to take time and thank the officers of this year as they have done a great job. There have been some changes in the lodge that we think will better us. Once again thanks for being our officers.

## **FROM THE JUNIOR GOVERNOR-Tony Tittle**

Hello all. Just wanted to add my 2 cents worth about "officer nominations". I've been an officer now for a few months. Overall the experience has not been bad. Have I been a little busier, yes, but, I haven't been asked to do more than I'm willing to take on. We can really use some new blood and ideas. I know we have a wide variety of abilities in our membership that could be utilized in our efforts to improve the lodge experience. So don't hesitate to step up and fill out a nomination slip.

## **A WORD FROM THE "WOMEN OF THE MOOSE"**

We want to thank all participates that came out and took a little painting class at the club. We had 17 folks come out and all had a great time. To see some pictures go out to our Facebook page. We are planning another painting class for May 18<sup>th</sup> so, mark your calendars.

## **PASSINGS**

Member, Past Governor and Administrator Bill Murphy passed away on Saturday, the 9<sup>th</sup> of February. We send our deepest sympathies to his family.

## **CHARITABLE THINGS OF NOTE**

The Moose would like to thank Sherry Kissel for continuing to give her time and energy on doing some wall repair and painting around the lodge. It's still much appreciated.
